FUND OVERVIEW

The Fund seeks to track the performance of an index composed of 30 large U.S. companies, covering all industries except transportation and utilities.

KEY BENEFITS

- 1. Exposure to industrial companies excluding transport and utilities
- 2. Direct investment into listed industrial companies in the US
- 3. Industrial sector exposure

RISK INDICATOR

CAPITAL AT RISK: The value of investments and the income from them can fall as well as rise and are not guaranteed. Investors may not get back the amount originally invested.

KEY RISKS:

- The value of equities and equity-related securities can be affected by daily stock market movements. Other influential factors include political, economic news, company earnings and significant corporate events.
- Counterparty Risk: The insolvency of any institutions providing services such as safekeeping of assets or acting as counterparty to derivatives or other instruments, may expose the Share Class to financial loss.
