Computation of Reportable Income
iShares Diversified Commodity Swap UCITS ETF (DE)
Supporting notes

As the fund is constituted as a contractual arrangement, it will be regarded as a fiscally transparent fund and, as such, the reporting requirements are governed by Chapter 6A of the Offshore Funds (Tax) Regulations 2009.

Adjustments for capital items

Based on Regulation 11, reportable income is represented by the separate sums of income therefore no capital adjustments are required.

Adjustment for income from other offshore funds

The fund did not hold any investments in other offshore funds during the period.

Adjustment for funds operating equalisation, and choice of equalisation or income adjustment

Equalisation adjustments are not required given the transparent reporting fund status.
