

FTP Site Access Terms of Use

As a prior condition to gaining access to information for certain BlackRock funds and iShares ETFs (the "Data") on a BlackRock operated FTP site (the "FTP Site") you, as the user of the FTP Site, must acknowledge and agree to these Terms of Use.

Terms of Use

By accessing the FTP Site, downloading or using the Data from the FTP Site and/or producing any derivative works or materials based on or incorporating any Data, you agree to accept these Terms of Use that apply to the access, download and use of the Data on or from the FTP Site. If you do not wish to be bound by these Terms of Use, please do not access the FTP Site, download or use any of the Data contained in the FTP Site.

The Data contained in the FTP Site is provided on an "as is" and "as available" basis, without warranty of any kind, whether express or implied. BlackRock Fund Advisors and its affiliates (collectively "BlackRock") does not guarantee and shall not be responsible for the content, accuracy, timeliness, non-infringement, or completeness of the Data or have any liability resulting from use of the Data by you or any of the end users or clients of your products or services. The Data is derived from internal and/or third party sources considered by BlackRock to be reliable, but its accuracy is not guaranteed.

BlackRock is under no obligation to provide the Data in any specified form, and is free to change the nature and content of the Data at any time without prior notice. While BlackRock may from time to time provide expected specifications for the content and posting or delivery of the Data, BlackRock is under no obligation to adhere to any specifications, whether provided by BlackRock or otherwise, regarding the nature, availability, composition, format or timing of the FTP Site, the Data or any information included therein. Successful downloading or delivery of the Data cannot be guaranteed. It is your responsibility to screen the Data for viruses on receipt. BlackRock accepts no liability for any viruses contained on the FTP Site or within the Data.

You hereby agree not to attribute any of the Data to BlackRock or circulate any Data to any third party without the prior written consent of BlackRock. If such consent is granted, you agree to include the following disclaimer with any Data so attributed or circulated:

"BlackRock calculates historical performance information ("Data") using internal and/or third party data considered by BlackRock to be reliable but its accuracy and completeness is not guaranteed. The Data is provided on an "as is" basis and BlackRock does not guarantee or give any warranty (whether express or implied) as to its accuracy or completeness. Reliance upon the Data is at the user's discretion and risk and BlackRock is not liable for any loss or damage caused by such reliance. The information provided is not intended to be, and should not be treated as investment advice, nor a recommendation about the suitability of any products for the circumstances of any particular investor. An investor should seek independent investment advice prior to investing."

BlackRock reserves the right to update and amend the Data at any time. In the event that you share any Data, you agree to provide any updates to such data to the other users.

If you produce any calculations, analytics or metrics using the Data, you may freely use and distribute the resultant information you produce provided that you do not attribute or connect the resultant information or any calculation process carried out by you, to BlackRock. In the event that you attribute the underlying Data to BlackRock, you must comply with your obligations set out above, including obtaining the prior written consent of BlackRock to such attribution, and also clearly disclose to any party to which you provide such resultant information that such resultant information has not been provided by BlackRock, that BlackRock has not endorsed, validated or verified the resultant information and that BlackRock has no obligation or liability in connection with the resultant information.

The Data is being provided for informational purposes only and access is being provided at the request of you as the user, which access can be revoked at any time without notice by BlackRock in its sole discretion. The Data does not constitute an advertisement, an offer to sell or a solicitation of an offer to buy any security or product. You confirm that you will not access, download or use the Data in a manner that would breach any applicable laws or regulations, including without limitation, applicable financial promotion regulations, federal or state securities laws or regulations and the regulations of any applicable self-regulatory organization. In the event of a breach or a potential breach of any of the foregoing, you should stop accessing the FTP Site and stop using the Data and promptly notify BlackRock. In addition, you agree not to knowingly use the FTP Site in any manner that could damage, disable, overburden or impair the FTP Site or interfere with any other party's use of the FTP Site.

Other than as required under applicable law, under no circumstance will BlackRock be liable for any loss or damage caused by your (or your end user clients') reliance on any Data. Investment in any security or product mentioned herein or in the Data may not be suitable for all investors. Past performance is not a guide to future performance. The price of the investments may go up or down and an investor may not get back the amount invested. Please note that BlackRock is unable, and does not purport, to give any legal, tax, regulatory or investment advice. The information provided is not intended to be, and should not be treated as legal, regulatory, tax or investment advice, nor a recommendation about the suitability of iShares products for the circumstances of any particular investor. Each user of the Data should seek independent investment, legal and tax advice prior to making any investment decision.

These Terms of Use may be updated from time to time in BlackRock's sole discretion. By continuing to access, download and/or use the Data after receiving notice of any updated version of the Terms of Use, you are deemed to have agreed to the updated version of the Terms of Use.
