Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ On March 22, 2021, the Board of Trustees of iShares Trust has approved a 3 for 1 split for the fund for shareholders of record as of the close of business on April 14, 2021, payable after the close of trading on April 16, 2021.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ Under Internal Revenue Code (IRC) Section 305(a), the stock split was a non-taxable transaction. Under IRC Section 307(a), each shareholder is required to allocate the aggregate tax basis in his or her shares held immediately prior to the 3 for 1 split among the shares held immediately after the split. As a result, the number of shares held by each shareholder were multiplied by 3 and the basis in each share following the stock split was 1/3 of the basis immediately prior to the stock split.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ See Section 15 above.
